

The materials and workmanship in these products are guaranteed to be free of defects at time of manufacture. The length of the warranty is determined by the type of material ordered.

Warranty coverage commences on the original date of purchase. The warranty does not cover normal wear, weather soiling, stains from environmental pollution and/or standing water, cuts from sharp objects, neglect, accident or misuse. The bimini top must be properly installed, utilized or maintained.

If a defect is detected within 12 months of date of purchase, manufacturer will repair or replace (at its discretion) the product free of charge.

If a defect is detected after 12 months and up to 36 months from date of purchase for three-year warranties, and up to 60 months from date of purchase for five-year warranties, manufacturer will (at its discretion) repair the defect on a time and material cost basis or replace the product on a pro-rated basis.

Manufacturer and/or seller provide this warranty in lieu of all other warranties, expressed or implied. Carver Industries, Inc. and/or seller disclaim all liability for special, incidental or consequential damages.

Some states/provinces do not allow limitations on how long an Implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights, which vary from state/province to state/province.
